I, Denise Long, have had 2 pedestrians holding signs on 2 different days almost fall onto my car. They looked like they were drugged. The eyes were almost closed and the would lean very far foward then snap back up. This poses for a danger if they get hurt by my car. Drivers pay enough for insurance we dont need to worry about bodily damage and lawsuits. Please make it illegal. Make a shelter out of one of the many abandoned buildings in Dover. Please make our streets safe. Denise Long Magnolia, De
